## WHAT OTHERS SAY...

As far as singer-songwriters go, Steve Bell is one of the best.

**Pierre Guérin**  
Former Artistic Director  
Winnipeg Folk Festival

Steve Bell's music offers an astonishing combination of familiar and fresh, provocative and comforting, exuberant and reflective, salty and sweet. Immediately attractive, it rewards repeated listenings: The genuine beauty on the surface gives away to treasures in the depths.

**John G. Stackhouse, Jr.,**  
Professor of Theology and Culture,  
Regent College, Vancouver

With pure guitar artistry and a lyrical power of the Psalmist, Steve Bell is truly Canada's finest and best kept secret.

**George Flores**  
Host - WWJD Live at the Lambs  
New York City

Steve Bell is a Canadian musical treasure.

**Larry LeBlanc**  
Billboard Magazine, Toronto

Every once and awhile you come across a voice that sounds as if it has been kissed by God. Steve Bell's is such a voice.

**Ross Porter**, Vice President of Programming  
99.1 Cool FM, Winnipeg

Steve Bell makes music that sounds truly blessed. I always look forward to hearing his new CDs.

**Bernie Finkelstein**, President  
True North Records

Some say it's the singer, not the song. Some say it's the song, not the singer. In Steve Bell's case, it's impossible to choose between the angel's voice and the angel.

**Tom Jackson**, Actor, Singer/ Songwriter  
& Founder of the Huron Carole Benefit concert
